

Cumbria Villa

Contract Value: £2.5m
 Contract duration: 14 months
 AKDP Appointment: Architectural Services/Principal Designer/Contract Administrator

A new decant ward has been provided in an underused ward Cumbria Villa at Chase Farm Hospital, Enfield. This is the first decant ward for the NHS Trust on this site to have this new facility available to them. This allows a future long term refurbishment programme to other wards which can be decanted into Cumbria Villa for a short/medium period of time to enable these works to go ahead.
